Wekemnayon Village Welcomes You to the Upcoming Camporee

We welcome all Scouts and Scouters to the upcoming Camporee. In our first camporee in many years we have put together a program that will demonstrate their outdoor skills, preparedness for the unexpected, team work, and quick thinking by the patrols and their leaders.

Scouting endeavors to teach us many skills to prepare Scouts for life. This year's Camporee will again test one's individual and team skills. Thinking through the challenges that face us and coming up with good solutions are vital to taking care of ourselves outdoors, especially when we must get out of a difficult situation.

2022 Cosmic Scouts BSA Camporee Staffing

We are asking each troop or crew to recommend 3-6 Scouts to serve as Camporee Staff (preferably members of the Order of the Arrow and/or older Scouts with camporee experience) as well as two (2) Assistant Scoutmasters.

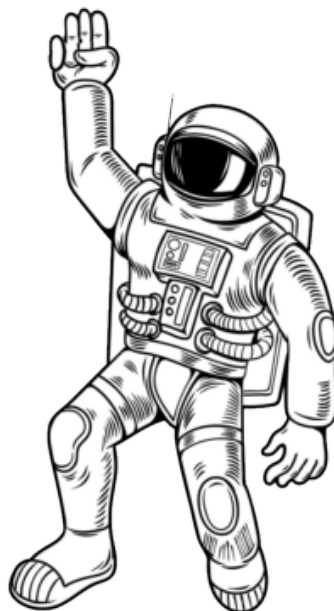

Scoutmasters, please encourage your senior members to be on staff. It is now their turn to give back to our district's featured Boy Scout activity. Service hours may be earned for scout advancement for helping in a District Event.

We need a large number of staff members to facilitate the number of patrols and Scouts participating in all of the patrol events -- your support on this will be appreciated.

Camporee staff will register for camporee with their units -- exception is Venturers age 18-20 or non-Scouters (age 21+) may register as individuals if they are not camping with their unit and serving as troop leaders during camporee.

Scoutmaster, please fill out the form on the next page and email it to the Wekemnayon Village Advisor: Laura Hoffman at laurajhoffman1612@outlook.com, and the Wekemnayon Village Chief: WekemnayonChief@yerbabuena.ggacbsa.org.

This information will be used to allocate the resources to ensure we have a great event.
